

QNX® Development License Certificate (Non-Commercial/Academic License Class)

This QNX Development License Certificate (“**License Certificate**”) is issued to the person or academic institution identified in the relevant Order as the customer (hereinafter the “**Developer**”) for a Non-Commercial/Academic License Class license to the QNX Product Portfolio software component(s) identified below (“**Software**”, as further defined in the QNX Development License Agreement (Non-Commercial/Academic License) published at http://www.qnx.com/nc_qdl or an alternative negotiated and signed development license agreement (“**QDL**”). This License Certificate is provided pursuant to the terms and conditions of the QDL which is entered into between the Developer and the relevant BlackBerry entity identified in QDL (“**BlackBerry**”). Any capitalized terms used herein, which have not been defined herein, shall have the meaning described in the QDL. If you have rightfully received this License Certificate, you may use the information provided herein to initiate the download and access to the Software on behalf of the Developer, subject to the terms and conditions of the QDL.

YOU AND THE DEVELOPER AGREE THAT YOUR ACCESS AND USE OF THE SOFTWARE AND ANY INFORMATION CONTAINED IN THIS LICENSE CERTIFICATE IS SUBJECT TO THE TERMS AND CONDITIONS OF THE QDL. IF YOU AND/OR THE DEVELOPER YOU REPRESENT (WHERE RELEVANT) DO NOT AGREE TO ALL THE TERMS AND CONDITIONS OF THE QDL OR IF YOU AND/OR THE DEVELOPER YOU REPRESENT (WHERE RELEVANT) ARE UNABLE OR UNWILLING TO COMPLY WITH THE TERMS AND CONDITIONS OF THE QDL, THEN DO NOT USE THE INFORMATION CONTAINED HEREIN AND DO NOT ACCESS OR USE THE SOFTWARE. IN SUCH CASE, THE LICENSE GRANTED IN CONNECTION WITH THE ORDER IS REVOKED.

IF YOU HAVE OBTAINED THIS LICENSE CERTIFICATE IN ERROR (E.G. BECAUSE YOU OR THE DEVELOPER YOU REPRESENT (WHERE RELEVANT) HAVE NOT PLACED AN ORDER) OR IF YOU CANNOT ACCESS AND REVIEW THE QDL, YOU MAY NOT USE OR DISCLOSE THE CONTENTS OF THIS LICENSE CERTIFICATE AND YOU MAY NOT ACCESS OR USE THE SOFTWARE. PLEASE EMAIL LICENSING@QNX.COM AND EXPLAIN THAT YOU HAVE OBTAINED THIS LICENSE CERTIFICATE IN ERROR.

In the section below, BlackBerry has identified (a) the specific Software licensed by the Developer pursuant to the Order, (b) the applicable expiration date of the license (but only if the expiration date is a date certain because Developer has obtained a subscription license for a term), and (c) certain other pertinent license information that may be relevant to license granted to Developer, including the specific “license model” under which the Software is licensed (identifying if the Developer has obtained a multi-user or single-user license and the specific use rights to the Software obtained under the terms of the QDL).

Software: QNX Software Development Platform (8.0)

License Information: Perpetual - Developer License - Non-Commercial Single-User License

BlackBerry fulfills most QNX License Certificates directly to the Developer via the Developer Web Portal. Only in the case that this certificate has not been delivered electronically or previously registered to the Developer Administrator account at myQNX.com may you, on behalf of the Developer, manually register the Serial Number below in your account at myQNX.com to facilitate deployment and use of the Software in accordance with the terms and conditions of the QDL. For more information on deploying and accessing the Software, see the *myQNX License Manager and QNX Software Center User's Guide* in the Developer Web Portal at myQNX.com.
