NOTES:

1. A bullet (●) indicates a code which has been added or changed in content.
2. A square (□) indicates a code which has been cancelled.
3. A diamond (◇) indicates a code reserved for future use.
4. Code U-00 is for INDEXES ONLY. Holders of the other "U" codes automatically will receive the indexes and therefore do not need U-00.
5. Code U-01 is generally for Staff use only. Advance approval of the Area BSP Coordinator is required before this code may be set up for distribution.
