

MAIN DISTRIBUTING FRAMES
WARNING MARKERS AND GUARDS

1. GENERAL

- 1.001 This Addendum supplements Section 201-203-102.
- 1.002 This Addendum is issued to describe the distribution of insulating gloves in a central office.

2. PRECAUTIONS

- 2.01 (Add this sub-paragraph:)
4. Insulating gloves shall be kept in a readily accessible place, on or near the main distributing frame. Additional gloves shall be provided at other locations if the local supervisor decides this is necessary. For example, insulating gloves shall be kept near the power equipment and electric service switches when this apparatus is not located in the same room as the main distributing frame.
