

TEMPORARY SPLICE PROTECTION USING CR TAPE

1. GENERAL

1.001 This addendum supplements Section 633-040-201.

1.002 This addendum is reissued to set forth the policy in Indiana Bell Telephone Company for the use of CR Tape (Boots) in the underground. IBT's policy is as follows:

The final decision on authority to place a temporary closure (CR Boot) in the underground plant rests with the appropriate District Manager-Cable Repair.

In the event of the unavailability of the appropriate District Manager for any reason, the request must be escalated to the next higher level of management for approval.
