

Battery Room or Area Ventilation Engineering Application

1. Updating Practice 742-205-070

1.1 Purpose This addendum updates the information in GTE Telephone Operations Practice 742-205-070, Issue 5, October 1990.

1.2 Filing Instructions The following chart provides instructions for updating this practice.

Step	Updating Practice 742-205-070
1	Remove page 2.
2	Replace it with the new page attached to this addendum.

1.3 Revision Bars Revision bars mark all parts of the practice changed by this addendum.

1. General

1.1 Purpose This practice provides procedures on how to ventilate the battery room or area to remove hydrogen gas.

1.2 Filing Instructions File this practice in numerical order in your practices set. This practice supersedes Issue 4, November 1983. Remove and discard Issue 4.

1.3 Copyright and Responsibility This practice was written by the Head Quarters Real Estate and Building Standards Group and published by the Telephone Operations Administrative Services Department. For more information about this practice contact the Support Assets Department.

No part of this work may be reproduced or copied in any form or by any means -- graphic, electronic, or mechanical, including photocopying, recording, taping, or information storage and retrieval systems -- without the written permission of the Administrative Services Department, GTE Telephone Operations Headquarters, Irving, Texas.

1.4 Disclaimer This practice has been prepared for GTE Telephone Operations employees, customers, and end users' employees who operate and maintain the equipment engineered and installed by GTE. The information in this practice is subject to change and may not be suitable in all situations. GTE Telephone Operations acknowledges that a customer's special requirements or practices may take precedence over those supplied in this practice if a conflict develops during installation or ongoing operation. GTE Telephone Operations hereby disclaims any responsibility or liability for any consequential or inconsequential damages that may result from the use of this practice.
