NOTES CONCERNING THIS ADDENDUM

This Addendum supplements Section G50,622.2 with information relative to lead sleeve sizes where double wall cotton sleeves are used on the twisted joints.

The cross-reference "See Addendum" should be marked in Section G50,622.2 at Paragraph 1.01 and following the table in Paragraph 2.01 to indicate the addition of supplementary information.

1. GENERAL

1.01 Note: The lead sleeve should be increased one size where double wall cotton sleeves are required for the majority of the twisted joints.
