

CABLE TERMINATING
CONSTRUCTION OF CABLE FORMS

NOTES CONCERNING THIS ADDENDUM

This addendum supplements Section G71.135 and provides new information on textile insulated cable.

The cross-reference "See Addendum" should be written in Section G71.135 at Parts 3 and 4 which are replaced herein.

3. CABLE FOR FORMS

3.01 Information covering textile insulated cable with paired conductors is covered in Section G50.602.6.

4. CABLE FOR TERMINATING QUADDED CONDUCTORS

4.01 Information covering textile insulated cable with quadded conductors is covered in Section G50.602.6.
