DECT Industrial Handset information

For detail on the features of this handset, please obtain a copy of the DECT Industrial Handset User Guide.

Safety information

Do not rely on a cordless phone in emergencies.

Never use your handset:

- in the vicinity of electrical detonators
- in shielded rooms
- in areas where radio transmission is forbidden
- in aircraft

Do not place your handset near:

- water, moisture, or damp areas
- heat sources, direct sunlight, or unventilated areas
- devices that generate strong magnetic fields
- areas with excessive dust, shock, or temperature

Legend

<option> Angle brackets require you to use the arrow keys ◀ ▶ to select the given option.
