

BlackBerry 7130e battery replacement

Written By: Sean Tiernan

INTRODUCTION

How to replace the battery

PARTS:

- [Blackberry 7130e Battery](#) (1)
-

Step 1 — battery

- Turn the phone over so that the screen is facing the work surface

Step 2

- Press your thumb against the battery latch. While pressing on latch, slide off battery cover towards the bottom of the phone.
- ⓘ You may need to apply considerable force on the latch at the bottom of the phone to complete this successfully.

Step 3

- Remove the battery by pushing downward on the area where prongs connect to bottom inside of the phone while using a thumb, finger, or tool to pull on the top of the battery to lift it out.

To reassemble your device, follow these instructions in reverse order.
