

Samsung Galaxy J V Battery Replacement

How to replace the battery of the Samsung Galaxy J V.

Written By: Roderick Jones

INTRODUCTION

To replace the battery for the Samsung Galaxy J V takes a couple quick steps. For these steps no tools are needed.

Step 1 — Battery

- Use the indent on the right side of the phone to lift up.

Step 2

- Lift the back panel up and remove it.

Step 3

- Lift from the bottom of the battery to remove it.

To reassemble your device, follow these instructions in reverse order.
